Now for the “fine print”:

Cancellation: There are no annual contracts or fees, but we do have a six month cancellation policy equivalent to your first six month’s membership dues. At month seven, you go on a month to month basis. To cancel your membership with Rainier Dental, you must provide to us in writing by the 20th of the month prior your wish to cancel. You will not be eligible to re-enroll for one calendar year from your cancellation date and you will be assessed a new setup fee if you choose to re-enroll. No other payment arrangements will be accepted, unless made in writing.

Declined payments: If your monthly payment comes back declined, we will notify you right away. You have until the 7th working day of the month (Saturdays are working days to us) to update your information and we can reprocess your card. There will be a \$10.00 rebilling fee. If your monthly membership fee is not paid in full by the 10th of the month, Rainier Dental reserves the right to terminate your membership.

Terminated and cancelled memberships: If a membership is terminated by Rainier Dental within the first six months of participation due to non-payment, Rainier Care participant will be responsible for the early cancellation fee that will be assessed. Participant has until the end of the month to pay the cancellation fee or start a recovery process. Once a member has been sent to collections for non-payment of membership fees, they will not be eligible for re-enrollment.
